

MD[®] 530G SCOUT ATTACK HELICOPTER

**MISSION PROVEN.
CHALLENGE READY.**

MAXIMUM UTILITY FOR ARMED AERIAL MISSION SUPPORT

The MD 530G, evolved from the agile, reliable and combat-proven OH-6A airframe, is the newest addition to the MD Helicopters line of purpose driven scout attack helicopters. The maneuverability and firepower of the MD 530G provides significant expansion in airborne combat capabilities; enabling combat commanders to effectively control the battlespace and meet an array of mission requirements more effectively and efficiently than ever before.
